DETAILED ACTION

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Siu K. Lo on January 6, 2004.

The application has been amended as follows:

- 1) Claims 24-29, 91, 92 and 96-140 are cancelled.
- 2) The word "claim" was inserted into Claims 147-150, 152, 155-158 and 160-176 where referring back to the independent claim (s).

REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The instant Invention is a composition of a water-insoluble pharmaceutical- such as Paclitaxel® - combined with plasma proteins- such as albumin. The composition is made by a unique process which results in unexpectedly high concentrations of drug in the mixture, stability under processing conditions including lyophilization and reconstitution, and a solution devoid of commonly-used biologically-incompatible solvents (see Inventor's publication: Paál, et al, 2001,

Art Unit: 1647

Eur. J. Biochem, 268: 2197-2191, whole document). The claims of the instant application are directed to compositions each comprising one of several anti-cancer agents, anxiolytics and antibiotics in a controlled aggregation state, combined with one or several human or animal plasma proteins. The claims are free of the prior art as the methods and compositions have not been studied in the prior art. The specification provides experimental evidence of utility and enablement under 35 U.S.C. 112, first paragraph. The claims also meet 35 U.S.C. 112- second paragraph requirements because the claims point out and distinctly claim the invention.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
